

# Advanced Open Water

**Exploration, Excitement, Experiences!**

This course helps you increase your confidence and build your scuba skills so you can become more comfortable in the water. It is a great way to get more dives under your belt while continuing to learn under the supervision of your PADI Instructor. The course builds on what you've learned and develops new capabilities by introducing you to new activities and new ways to have fun scuba diving.

You will complete five adventure dives – one on Underwater Navigation, one on Deeper Diving (between 18-30m), and three more of your choosing!

## The Fun Part: Its Your Choice!

One reason you'll love the Advanced Open Water Diver course is that you and your instructor choose from 15 types of Adventure Dives to complete your course. You can try your hand at digital underwater photography, wreck diving, drift diving, peak performance buoyancy and many more.

## Prerequisites:

To take this course, you must be:

- A PADI Open Water Diver (or equivalent)
- 15 years old (12 for Junior Advanced Open Water)

## What You Learn:

The knowledge and skills you get in the Advanced Open Water Diver course vary with your interest and the adventures you have, but include

- Practical aspects of deep diving
- Physiological effects of deeper scuba diving.
- More ways to use your underwater compass
- How to navigate using kick-cycles, landmarks and time
- How to better use your dive computer or dive planner
- And much, much more, depending on the Adventure Dives you choose

**Cost:** £350

## How long does it take?

You can complete your Advanced Open Water Course in just three days – or one evening and a weekend. We can fit your course around your schedule – if you can only do one dive now and then that's no problem, talk to us about scheduling in your dives today!
